declare that this statement is issued under our sole responsibility and belongs to the following product:

product: LiFePO4 lithium ion battery.

model(s): VHR TL4875LFP; VHR TL4850LFP; VHR TL48100LFP-3U; VHR TL48150LFP-5U; VHR TL38100LFP

Description: TL series lithium ion battery.

Object of the statement described above is compatible with inverters in the following table:

Inverter manufacturer	Product	Model
Growatt	3kw off grid inverter	SPF3000TL HVM
	5kw off grid inverter	SPF5000TL HVM
MUST	3kw off grid inverter	PV18-3024VHM
NEXT POWER	5kw off grid inverter	Victor NM II-5000-48
Voltronic	5kw off grid inverter	MKS II 5KW
Victron	Solar MPPT Charger Controller (no communication with lithium battery)	EasySolar 48/5000/70-100 MPPT
Sermatec	5kw hybrid inverter single phase	SMT-5k-TL-LV CAN communication
Goodwe	Goodwe inverter	CAN communication
Sofar	Sofar inverter	CAN communication
Deye	Deye inverter	CAN communication
Voltronic	Voltronic inverter and BMS 485 communication protocol	RS485 communication
